	To:	01.000.21.02 / 01/01/1970

Module: General **Notes:** 2

Note: M04-474

NDT Activities Reporting

In this form the feature "Apply Template" acts, from this release, only on completely selected records.

Patch Situation 01.000.21.02

Note: M04-475

WSL Import Export

The NDT Template is now exported, if recognized, in the column 'NDE DATA'.
Whitin import process, the NDT template code, if available in the database, will be recognized and NDT related records will be generated.

Patch Situation 01.000.21.02
