

What's New?

SPIDERCONFIGURATOR

<i>List of modifications</i>	<i>From:</i>	01.000.03.01 / 04/03/2015
	<i>To:</i>	01.000.04.00 / 04/05/2015

Module: Chooser

Notes: 1

Note: M08-89

Template preview refresh in Template Chooser form

Now, when a template is modified in SpiderConfigurator and then you get back to the main Template Chooser window, the template preview on the right is refreshed.

Patch Situation 01.000.04.00

Module: Template ed

Notes: 1

Note: M08-81

Conversioni text-to-date DB Postgres

Correcting the anomaly on the installation of DB Postgres, that being converted to values of type text to date, returning an error if the cells were non-numeric characters.

Patch Situation 01.000.03.01
